

FESTIVALS

Solos, Duets & Trios
Novice only
competition!

Royals is the dance competition with a difference, the priority being fun.

With a welcoming atmosphere, fun/games for the kids to participate in throughout the day and lots of mixing with other dance schools interaction.

We pride ourselves on ensuring all our events are fairly judged and based on passion and technique.

We like to give equal opportunity to your once a week dancers as well as your "live at the studio" dancers.

The owner of Royals, Izzy, has had an amazing time over the past 18m running these events, building strong connections with attending dance schools and loves the excellent feedback she gets.
